INDEX

VOLUME X, SEPTEMBER, 1956 - MAY, 1957

Listed Under Articles and Authors

Achievement and Abilities of a Group of Educable Mentally Handicapped, Wilson H. Guertin, October 1956, 145-150.

A College Examines Its Use of Test Results, Sister Mary Honora, R.S.M., et al., April 1957, 611-616.

Adams, Sidney, Analysis of "Second-Guessed" Training Tests: Improvement on Objective Choice Tests Which are Reviewed and Re-Marked After Initial Correction, March 1957, 533-542.

Admissions Test as Criteria for Success in College, Lee E. Boyer, et al., December 1956, 313-316.

A Follow-Up of 314 Students Whose Fitness for Teaching Was Questioned, 1942-1953, May V. Seagoe, May 1957, 641-654.

Allen, Robert M., et al., Full-Range Picture Vocabulary Test Compared with Two Short Forms of the Wechsler Scale, October 1956, 133-138.

An Analysis of Factors Related to Withdrawal from High School Prior to Graduation, Edward S. Cook, Jr., November 1956, 191-196.

Analysis of "Second-Guessed" Training Tests: Improvement on Objective Choice Tests Which are Reviewed and Re-Marked After Initial Correction, Sidney Adams, March 1957, 533-542.

Anderson, Irving H., et al., The Rate of Reading Development and Its Relation to Age of Learning to Read, Sex, and Intelligence, March 1957, 481-494.

Anderson, William F., Attitudes of University Students Toward Cheating, April 1957, 581-588.

An Experimental Study of the Effectiveness of Field Assistance on the Attitudes and Course Achievements of Correspondence Study Students, Harold W. Montross, November 1956, 161-174.

An Experimental Technique for the Prediction of Teacher Effectiveness, Granville B. Johnson, Jr., May 1957, 679-690.

Animism and College Students, David H. Crowell, et al., January 1957, 391-396.

A Note on Borow's College Inventory of Academic Adjustment, Clifford M. Christensen, September 1956, 55-58.

A Study of Factors Related to a Feeling of Happiness, Erwin W. Fellows, November 1956, 231-234.

A Study of Musical Style Recognition, Charles F. Lehman, January 1957, 351-362.

A Study of Scholastic Achievement Related to Personality as Measured by the Minnesota Multiphasic Personality Inventory, David R. Stone, et al., October 1956, 155-156.

A Study of Socialization in Block Play, Lois V. Johnson, April 1957, 623-626.

A Study of the Sociometric Hierarchy of Elementary Education Majors, Curtis L. Drawhorn, December 1956, 287-296.

Attitude of a Select Group of Colorado Secondary School Teachers Toward Informal Teacher-Made Tests as Measured by a Projective Interview, David P. Torbet, May 1957, 691-700.

Attitudes of University Students Toward Cheating, William F. Anderson, Jr., April 1957, 581-588.

A Validation Study of the Minnesota Teacher Attitude Inventory in Manitoba, Harry L. Stein, et al., January 1957, 321-338.

Baker, Janet, Mastery of Vocabulary in History, April 1957, 589-596.

Beamer, George C., et al., The Relation Between Teacher Attitudes and the Social Service Interest, May 1957, 655-666.

Bendig, A. W., The Validity of Two Temperament Scales in Predicting Student Achievement in Introductory Psychology, April 1957, 571-580.

Berger, M. I., College Students and their Preferences of Magazines and Radio Commentators, November 1956, 197-202.

Betts, Emmett A., Research on Reading as a Thinking Process, September 1956, 1-16.

Bills, Robert E. Personality Changes During Student Centered Teaching, October 1956, 121-126.

Borg, Walter R., Personality and Interest Measures as Related to Criteria of Instructor Effectiveness, May 1957, 701-710.

Boyer, Lee E., et al., Admissions Test as Criteria for Success in College, December 1956, 313-316.

Bradt, Kenneth H. Servicemen Who Take Correspondence Courses: A Research Report on Their Problems, October 1956, 113-120.

Bruack, Benjamin, et al., Effect of Knowing the Principle Basic to Solution of a Problem, November 1956, 203-208

Calvin, Allen D., et al., Studies in Adult Learning Since 1930, December 1956, 273-286.

Cannon, Helen, The Influence of High School Homemaking on Achievement in the Beginning Course at the University of Colorado, March 1957, 521-532.

Capps, Marian P., et al., Contributions of the Graduate Record Examinations and the National Teacher Examinations to the Prediction of Graduate School Success, January 1957, 383-390.

Carter, Lowell Burney, Effect of Early School Entrance on the Scholastic Achievement of Elementary School Children in the Austin Public Schools, October 1956, 91-104.

Christensen, Clifford M., A Note on Borow's College Inventory of Academic Adjustment, September 1956, 55-58.

Classroom Sociometric Mutual Pairs and Residential Proximity, M. Vere DeVault, April 1957, 605-610.

College Performance of Students with High and Low High School Grades When Academic Aptitude is Controlled, Clifford H. Swensen, Jr., April 1957, 597-604.

College Students and Their Preferences of Magazines and Radio Commentators, M. I. Berger, November 1956, 197-202

Comparative Achievement of Veterans Admitted to

College on the Basis of General Educational Development Tests and A Selected Group of Other College Students, Louis A. D'Amico, et al., March 1957, 555-556.
Comparison of the Effectiveness of a Pupil-Centered Versus a Teacher-Centered Pattern for Teaching Vocational Agriculture, Orville H. Thompson, et al., May 1957, 667-678.
Contributions of the Graduate Record Examinations and the National Teacher Examinations to the Prediction of Graduate School Success, Marian P. Capps, et al., January 1957, 383-390.
Cook, Edward S., Jr., An Analysis of Factors Related to Withdrawal from High School Prior to Graduation, November 1956, 191-196.
Correlates of Sociometric Status Among Peers, Junius A. Davis, April 1957, 561-570.
Crane, A. R., Stereotypes of the Adult Held by Early Adolescents, November 1956, 227-230.
Crowell, David H., et al., Animism and College Students, January 1957, 391-396.

D'Amico, Louis A., et al., The Comparative Achievement of Veterans Admitted to College on the Basis of General Educational Development Tests and a Selected Group of Other College Students, March 1957, 555-556.
Davis, Junius A., Correlates of Sociometric Status Among Peers, April 1957, 561-570.
DeVault, M. Vere, Classroom Sociometric Mutual Pairs and Residential Proximity, April 1957, 605-610.
Development of the Relationships of Legal Fiscal Controls to the Extent of State Aid for Education as Applied to Pennsylvania 1921-1953, Robert D. Fleischer, October 1956, 81-90.
Differential Prediction of Success in Graduate School, Sam C. Webb, September 1956, 45-54.
Does Teaching Change Students' Attitudes? Joseph Chiozza Lagey, December 1956, 307-312.
Do Our Schools Prevent or Promote Delinquency? William J. Gnagey, November 1956, 215-220.
Drawhorn, Curtis L., A Study of the Sociometric Hierarchy of Elementary Education Majors, December 1956, 287-296.

Effectiveness of Multiple Period Curricular Practices in High School English and Social Studies, Arthur H. Mennes, September 1956, 59-70.
Effect of Cohesion and Intelligence on the Problem Solving Efficiency of Small Face to Face Groups in Cooperative and Competitive Situations, Beeman N. Phillips, October 1956, 127-132.
Effect of Early School Entrance on the Scholastic Achievement of Elementary School Children in the Austin Public Schools, Lowell Burney Carter, October 1956, 91-104.
Effect of Knowing the Principle Basic to Solution of a Problem, Benjamin Burack, et al., November 1956, 203-208.
Effects of Special Reading Training Upon the Development of College Students' Reading Skills, Albert J. Kingston, et al., February 1957, 471-476.
Elton, Charles F., et al., Use of the D. A. T. in the Small Liberal Arts College, October 1956, 139-144.

Fellows, Erwin W., A Study of Factors Related to a Feeling of Happiness, November 1956, 231-234.
Fleischer, Robert D. Development of the Relationships of Legal Fiscal Controls to the Extent of State Aid for Education as Applied to Pennsylvania 1921-1953, October 1956, 81-90.
Forlano, George, et al., Relationship of Driver Attitude to Aspects of Personality, Driver Knowledge, and Intelligence, November 1956, 183-190.
Frerch Research in the Teaching of Reading and Writing, J. Simon, February 1957, 443-460.
Full-Range Picture Vocabulary Test Compared With Two Short Forms of the Wechsler Scale, Robert M. Allen, et al., October 1956, 133-138.

General Aptitude Test Battery in Predicting Success of Vocational School Students, Cecil O. Samuelson, November 1956, 175-182.
Gnagey, William J., Do Our Schools Prevent or Promote Delinquency? November 1956, 215-220.
